PRODUCT INFORMATION

DEFLECTOR F BLADE LINER

Description:

Introducing our Deflector F Blade Liner, a versatile solution for cut-resistant food handling. This uncoated glove is designed to provide reliable protection and flexibility, enhancing safety and comfort in various food handling tasks. Crafted from a high-performance HPPE polyester stainless-steel yarn, our Deflector F Blade Liner offer exceptional cut resistance while maintaining the dexterity required for precision tasks. Its ambidextrous design allows for wearing as a pair or as a single glove. Trust in the Deflector F Blade Liner for superior protection and performance in the kitchen or any food processing environment.

- ✓ Conforms to EN 388:2016 levels 3-X-4-X-F
