ABOUT THIS PRODUCT

Our PU Rigger Wellington is built for both durability and comfort. These lightweight boots feature thermal insulation to keep you warm and dry. They come with a steel safety toe cap and a penetration-resistant steel mid-sole for reliable protection. The robust PU/TPU construction ensures long-lasting use, while the anti-slip and antistatic sole offers great stability. With a ribbed heel and a kick-off spur for easy removal, the boots also provide excellent grip across all terrains. Fully waterproof, also featuring cold insulation to withstand harsh conditions.
