

FOOD-X CLOG

	BLACK	3-14	SFW-41170-B
	WHITE	3-14	SFW-41100-B

COLLECTION

Food-X is a specialised sub-brand dedicated to producing high-quality safety footwear tailored for the food industry. Designed to meet rigorous safety and hygiene standards, Food-X footwear combines slip-resistant soles, waterproof materials, and easy-to-clean designs with comfort and durability. Ideal for professionals in kitchens, food processing plants, and hospitality, Food-X ensures protection and performance in demanding environments.

ABOUT THIS PRODUCT

Introducing our Food-X Clog, created for comfort and durability. These lightweight clogs offer superior slip resistance, oil resistant soles with an anti-bacterial lining. Pairing an energy absorbing heel with 200J steel safety toe cap for ultimate protection during your working day.
